Order thereon

Government observe that the Proceedings quoted in the above only lays down the minimum number of meetings to be held every year in each of the L. Extract of the resolutions from the Proceedings of the Local Fund Meeting, held on 25th Nov: 1892.

Read proceedings of Government No: 6098-64 & 7210-92 of the 18th ultimo about the meeting of the Board Six times a year

Proposed by President and Seconded by Mr. Ambale Ammaya pundit and unanimously carried that the Board may conveniently meet once in three months, or in all four times a year. Meeting once in two months is too early and inconvenient for the members to attend. The president suggested that the date of a quarterly meeting might be fixed at the previous sitting, so that it may fit in with the convenience of the members.

Govt regret to observe that it has taken nearly 11 months for the Dy Comr's office to transmit a resolution of the Board for the orders of Govt meantime the commencement to members has been partially curtailed by orders sanctioning travelling allowances to both official and non official members under these circumstances Govt see no reason to reconsider the orders complained of.
